

product spec & instructions

french gel soft, ultra white, glitter

viscosity: 2

curing time: 120 seconds

our french gels is are non-soak off gels and are available soft for a natural look, ultra white for a bright white look and glitter for that extra special effect

instructions

- sculpt, file and shape your nails as desired and remove any dust
- draw a smile line with a dotting tool or brush where you wish to start your french look and fill in using a thin layer of gel, brushing out evenly towards the tip of the nail
- cure the gel in the uv lamp for 2 mins
- finish your french manicure with a high gloss shine, top gel clear, quick finish gel iii or brush-on gel

no stirring required, for use on hard gel, not for use directly on the natural nail
