

product spec & instructions

quick gloss

viscosity: 1

curing time: 120 seconds

quick gloss gel is a very thin high gloss top gel and is a non-soak off gel. you can use quick gloss gel III with any of our builder gels and on acrylics to perfectly finish off your nail design. quick gloss provides a high gloss finish with no sticky layer after curing. ideal for mirror pigment powder application too

instructions

- apply a thin layer of quick gloss to your finished nail, avoiding contact with the skin
- cure the gel in the uv lamp for 2 mins
- remove the sticky layer

apply quick gloss as thinly possible to get the best results
